Mr. Mitchell:

I met Retired Judge Darrell White last Friday. I begun talking to him and found him so full of information. He was fascinating! I thought immediately about you and your love for history. I mentioned your name to Retired Judge D. White. He has heard your name on several occasions. He left his contact information. I thought he would be a good speaker (if you are interested) for your Bible Lit class and/or American History classes.

If you are interested his (225) 615-7337 (office); 225 302-8700 (fax) and e-mail is dwhite@retiredjudges.org. He was at the meeting on Friday to provide information if needed about the academic freedom act.

Thanks,
Gwen Theriot
