Dear Jim,

Below is the letter I received from Judge White after I requested contact information from him on those who came to our meeting last night. He closed with the suggestion that we send a letter of gratitude to the superintendent of Ouachita Parish. I agree that it would be good if us to do do. Are you in agreement? I will be happy to draft a letter in that regard.

Dear Judge White,

It was a pleasure to meet you last night. Thank you for coming to support our school board and give us the opportunity to learn more. Because of your hard work and encouragement, we were successful in getting this policy in our school system.

I would like the contact information for some of the people I met last night, if it isn't too much trouble. Dr. Holmes gave me your email address. I would like to contact Dr. Voss, Mr. Phillips, Linny from St. Tammany, Mickey Cleveland and the gentleman who came with him and the

lawyer from Oklahoma (I cannot remember his name).

Again, thank you. I hope to see you again soon.

Sincerely,

Roxanne A. Atkinson

Retired Judge Darrell White
